Inspector General of Education in Mysore

To

B K Venkatavaradiengar Esq,
Secretary to the Government of H.H.
the Maharaja of Mysore,
General and Revenue Depts,
Bangalore.

Sir,

I have the honour to inform you that there is a total outstanding debt of Rs 389-6-1 due to the Industrial School Mysore from the persons named in the list herewith submitted. The debts are of dates prior to 30th June 1903 and it has been found impossible to recover them, as the remarks made against each item in the list show. The Committee of the Industrial School which 2nd November 1905 passed

a resolution that the debts referred to in the list might be written off with the permission of Government. I therefore recommend that Government may be pleased to grant permission to write off the unacknowledged debts to the School of a date prior to 30th June 1903, as proposed by the Committee. The accounts of the Industrial School, Mysore, prior to 30th June 1903 were in confusion in the time of the late Superintendent who was prosecuted. Though every effort was made to recover the outstandings, those stated in the enclosed list are hopelessly irrecoverable.

I have the honour to be,
Sir,
Your most obedient servant,

Bangalore 7th June 1906

To

The Superintendent,
Government Industrial School,
Mysore-

Sir,

Your letter No 785 dated 5th June; I have already said that I have no evidence in my possession of having paid the amount. The transaction took place long ago and I do not maintain any accounts of my private expenditure, nor do I preserve any vouchers. The fact that no demand was made for several years raises a fair presumption that it had been paid. There were mismanagement and malversation also in the Industrial School as the prosecution of the late Superintendent and his clerk shews. If instead of Government being a party, a private person happened to be one, I suppose the burden of proving non-payment would be on him. It is not to escape payment of a small sum of about Rs 30 that I demur to payment now, but it is only, to do justice to myself

I in spite of what I have said, Govt
order that I should hang, I can only
obey the order as a servant of Govern-
-ment in common with others in the same
predicament.

Yours truly

E Subbaswami Ayar Esq
Superintendent,
Government Industrial School,
Mysore

Sir,

I am in receipt of your letter No 784 dated the 5th June 1906

It is several years since I made any purchase in the Industrial School and to the best of my recollection and belief I have paid what was due As I have not been regularly recording my private papers, it is not easy to find out the vouchers after such lapse of time I shall however make a search among my papers, but to enable me to do it effectively and to furnish a reply to you, if possible, within the time allowed, I beg you to kindly give me information on the following points —

(1) Date of supply of articles and names of articles supplied

(2) Sums due and sums acknowledged as received

(3) Date and purport of any communication addressed to me, particularly of the last communication.

(4) Date and purport of any communications made by me.

I have not heard from your predecessors on the subject for years past There was no demand or report till now Would they have kept quiet if there was no payment? Perhaps I am not at liberty to raise this question I however, trust that you will perceive that under the circumstances of the case, I am entitled to the information asked for and to additional time

I beg to remain,
Sir,

Old double barrel Gun new stock Rs 5-12-0

It is not said to whom the payment was paid There is not even the mention of the School Nor is said to be the payment made to School No Voucher was shewn. But of Rs 7-4-4 due to School, Rs 5-12-0, is no doubt the cost of repairing a double barrel Gun This was delivered on 22 7-1897 under the full signature of Mr A C Hughes There is also the following remark apparently in that Gentleman's hand in the remarks Column. "Place to our acct" The bill was prepared on 3/8/1897 The then Superintendent has made the following pencil note at the foot "This article has been returned for slight repairs Dont send the bill till it is delivered again"

(Sd) [illegible] U S
4 8 1897

again in red pencil below "Send the bill" This apparently the bill was sent after the date on which the payment is said to have been made Mr Hughes was very angry and would not allow me to look into the book well The balance of 1-8-4 is a private account which is also said to have been paid I find in the School Cash book
